KEEPING WJNS SAFE QUIZ

If you or someone you know is not feeling well or has been exposed, take this quick quiz to find out how you can help keep the WJNS community safe and healthy!

START HERE

Who is not feeling well or was exposed?

Household Member
(the WJNS student or someone who shares common spaces with him/her)

What's the situation?

- Confirmed COVID case
- Experiencing symptoms (fever, chills, cough, runny nose, etc.)
- Awaiting COVID test results

Close Contact
(can be a babysitter, teammate, coworker, someone you shared a meal with, etc.)

What's the situation?

- Awaiting COVID test results
- Confirmed COVID case
- Experiencing symptoms (fever, chills, cough, runny nose, etc.)

INSTRUCTIONS A

1. Immediately:
   a. Begin quarantining for 10 days
   b. Inform WJNS
2. After 10 days, student may return to school if:
   - Student showed no symptoms during 10-day quarantine, AND
   - Doctor's clearance note is provided to WJNS Office

INSTRUCTIONS B

1. Immediately:
   a. Begin quarantining
   b. Inform WJNS
2. After results are received, student may return to school if:
   - Student showed no symptoms during quarantine, AND
   - The results are negative
3. If results are positive, see Instructions A

INSTRUCTIONS C

1. Immediately:
   a. Begin quarantining
   b. Inform WJNS
   c. Contact child's pediatrician to assess symptoms and/or exposure
2. Follow pediatrician's instructions
3. The student's return to school depends on your pediatrician's orders
   - If a COVID test is ordered, see Instructions B
   - If no COVID test is ordered, the student may return to school if symptom-free for 24 hours and with a doctor's clearance note
