HONOLULU FIRST CHURCH OF THE NAZARENE

Updated 06/04/2024

MINISTRY AND PHILOSOPHY

Waulani Judd Nazarene School was founded in 1967. The school is a ministry of Honolulu First Church of the Nazarene. HFCN is a family friendly church with an emphasis on connecting with God and loving people. The church teaches that the spiritual life of a Christian is derived from faith in Jesus Christ, the written word of God (the Bible), and experience within the church. If you do not already have a church home, we invite you to join us for a worship service and make HFCN your church ohana. The pastoral staff is available for your support and pastoral counseling is available by making an appointment with the HFCN office.

Education is a life-long process that neither begins nor ends with the school experience. We recognize that parents have the primary responsibility for the training and education of their children. Our teachers, administrators, and staff strive to work closely with you in this vital task of providing a solid foundation both academically and socially in a nurturing environment. Education is a cooperative venture between home and school and the more closely the two work together, the more effective the efforts of both will be. Two-way communication is essential if we are to achieve our common goal, a productive and happy year for each child.

“Seek first the kingdom of God and his righteousness, and all these things will be added to you.” -Matthew 6:33

WJNS staff and parents will communicate regularly in order to keep one another informed of progress made.

Parents/legal guardians will be notified in advance of transportation arrangements for excursions and any applicable fee. Transportation on excursions will be provided by a licensed bus service.

Individuals arriving on campus prior to 2:30 pm to pick up students must contact the school office prior to campus entrance. The office will issue an early-release slip and notify the teacher(s) for student release.

BIRTHDAY SNACK AND SPECIAL CELEBRATIONS: Parents are welcome to bring a snack, dessert, and/or goodie bag to share with their child's class. *Items brought to school will be shared during snack or after lunch.* Please notify your child's teacher if you would like to bring a snack that requires refrigeration.

HEALTH

HEALTH CARD: Each child must have a current Health Card (Form 14) prior to the first day of school. This is a Department of Health requirement. Physicals are required every 2 years thereafter. An annual dental certificate is recommended.

MEDICAL INSURANCE: Each student must provide proof of medical insurance.

ILLNESS: The health of our children is of utmost importance to us. The administrative office will employ long term screening protocols to monitor and track the health and safety of the WJNS community. A child should be kept at home if he/she is not feeling well (please refer to the next paragraph). However, if a child

becomes ill during the normal school day or if a child has a temperature of 100 degrees or higher, the school will contact a parent or guardian to make arrangements for the child to be picked up.

Sick or injured students will not be allowed to play or be active. The student will sit or lie quietly until an authorized pick-up person arrives. A child must remain at home for all illnesses, including but not limited to fever, vomiting, diarrhea, impetigo, sore throat, acute cold, rash, head lice, or headaches. **A doctor's note is required to return to school if a child is absent for more than three days.**

A child must be symptom free for 24 hours (without fever reducing medicine) before returning to school.

Students having the following diseases must have a written consent from a physician or the Health Department to return to school:

Chicken Pox	COVID-19	Hand, Foot, and Mouth	Impetigo
Measles ⁶	Mumps	Mononucleosis	Pink Eye
Pinworms	Pneumonia	Ringworm	Scabies
Whooping Cough			

COVID-19 HEALTH POLICY: Waolani Judd Nazarene School (WJNS) understands that teachers and students are in close contact for much of the day, and schools can become a place where respiratory diseases like COVID-19 can quickly spread. To protect our staff and students, WJNS will be practicing and promoting healthy habits during illness outbreak. WJNS offers resources on our web page that can help families regarding Health and Hygiene tips.

Daily Health and Safety: To keep the spread of illness to minimum, WJNS will need to continue the following practices as suggested by the CDC:

- frequently washing hands or use alcohol-based (at least 60% alcohol) hand sanitizer when soap and water are not available.
- staying home when sick

If it is determined that the facility has been exposed and has affected a substantial amount of the WJNS population to COVID19, proper state and local health authorities will be contacted. WJNS will follow all guidelines and measures required by these government agencies to meet safety and health requirements to maintain a safe school environment for all students and staff. These will include, as required: school closure, cleaning and sanitizing of all classrooms, playgrounds, and common areas of the buildings used in the school's daily functions.

Child and Parent Expectations: If a child is experiencing symptoms such as fever (temperature of 100 degrees or higher), cough /shortness of breath, or shows illness based upon our current WJNS health policy, parents must keep them home. Children who are sick are not permitted to come to school. If a child shows signs or symptoms of COVID19 or other infectious diseases, WJNS requests parents seek professional care and notify WJNS.

Please see the current health policy in the WJNS School Handbook for other illnesses that require a doctor's clearance for a previously ill child to return to normal school activity. The WJNS health policy will be strictly enforced. All emergency contact information must be current for each child.

UNEXPECTED ILLNESS / EMERGENCY: Each family is required to fill out emergency contact information at the start of each school year. If an emergency arises and a parent/legal guardian or other individuals on the emergency contact list cannot be reached, the school will act in the best interest of the child. If immediate medical assistance is needed, your child will be taken to the doctor/hospital. Parents/legal guardians will be responsible for all fees involved in the transportation and treatment of such services.

MEDICAL EMERGENCY PROCEDURE: We will follow the procedures below:

1. Parents/legal guardians are notified.
2. If the school staff is unable to contact a parent or guardian, the emergency contact persons listed on FACTS will be contacted.
3. In the event none of the above contacts can be reached and medical treatment is necessary, the child's doctor will be contacted. If the doctor is not available and emergency care is deemed necessary, an EMERGENCY, #911 will be called.

If a child must be transported to the hospital, a teacher or staff member will remain with the child until a parent, guardian, or authorized person can be with the child.

ALLERGIES: Parents are asked to list any student allergies on FACTS. In addition, parents of students with allergies must fill out an additional allergy form. (A copy of this form is kept with the classroom teacher, and another copy is kept in the office.) The allergy form provides the school with a detailed written explanation of the type of allergy, measures that must be taken to avoid triggering a reaction, and what is to be done if the child suffers an allergic reaction at school.

Students with severe food allergies need a note from their doctor. Parents should be aware of the lunch menu and provide alternatives for foods that trigger allergic reactions. If there are severe allergies or dietary needs,

restrictions, or sensitivities, students are encouraged to bring their own lunch/snack.

MEDICATION: Any child requiring medication must have: 1. Medication labeled in its original pharmacy container with complete instructions and 2. Consent to administer medication form signed by a parent. *All refrigerated medication will be kept in the office refrigerator and must be taken home at the end of each week by the parent.* No over the counter medicine will be administered to children without written parental consent.

MEDICAL APPOINTMENTS: Please do your best to schedule doctor and dental visits after school, on Saturdays, or during school breaks. If it is necessary for a child to leave WJNS for a medical appointment, please submit a written request to the school office or to your child's teacher prior to the appointment. No child will be released to anyone other than those on the authorized pick-up list.

TRAVEL: Please Notify the WJNS Administrative staff and your child's teacher of any travel plans at least 72 hours prior to the departure day.

FOOD AND NUTRITION

LUNCH AND SNACKS: Waolani Judd Nazarene School works with a nutritionist and follows recommended guidelines in providing well-balanced, nutritious meals and snacks. Included with the cost of tuition, WJNS provides an afternoon snack and lunch. *Home lunches are not recommended.*

We do not serve breakfast at WJNS. Children arriving on campus before 8:00 am may bring their breakfast with them to eat in their classroom. Breakfasts from home should be nutritious (sugar and caffeine are highly discouraged), and may not contain peanuts or peanut products.

MENUS: Monthly lunch and snack menus are available on our website at wjns.org.

WJNS is a peanut-free school. No food items may be brought to school that contain peanuts or peanut products. *If food items containing peanuts are brought, students will not be allowed to eat the items here at school. Parents will be notified, and the food will either be sent home or thrown away.*

FINANCIAL POLICIES

Waolani Judd Nazarene School is a non-profit institution. The operation of the school is dependent upon tuition and fees.

APPLICATION FEE: A \$80 non-refundable fee is required with each application. A child previously withdrawn must pay another application fee to re-enroll.

TUITION: Monthly tuition payments are made through FACTS Tuition Management only. ANNUAL TUITION IS PAID AT THE SCHOOL OFFICE or through FACTS Tuition Management. Tuition must be paid and is non-refundable. This is our legally binding contract. Habitual late payments of tuition are subject to late fees. Delinquent tuition or nonpayment of tuition is cause for disenrollment. Tuition is based on enrollment and not attendance.

DISCOUNTS: The following discounts are applicable to families with more than one child attending WJNS:

1st child (paying highest tuition) – full tuition

2nd child (paying 2nd highest tuition) – 10% discount

3 or more children (paying 3rd highest tuition) –20% discount

Children of families who regularly attend Honolulu First Church of the Nazarene and contribute financially to HFCN are eligible for a 10% discount on tuition. A written statement must be signed annually by the parent, pastor, and principal for the discount to be approved. *The school may revoke the church discount if families are not actively involved or attending HFCN.*

RETURNED CHECKS: There will be a \$35 charge for checks returned by the bank.

FUNDRAISING POLICIES: WJNS is a tuition-based campus. 100% of your student's tuition is used to finance all aspects of service throughout the school year. In order to keep tuition rates down, WJNS requires all enrolled families to participate in at least one fundraiser per year. WJNS fundraisers bridge "the gap" - the difference between tuition dollars received by the school and the actual costs of operating the campus. If you would prefer to decline your student's participation in fundraising, you may choose to make a donation to the campus for the school year, a minimum of \$150, which is the amount anticipated by each student to raise in the annual fundraiser.

Throughout the school year, smaller groups may hold fundraisers for educational trips, school camps, various non-profit organizations, and additional classroom supplies and events. Participation in these additional fundraisers is on a voluntary basis. Staff and children shall not be exploited in activities that could be harmful and dangerous to the school or themselves.

DISASTER PLAN

In the event of a natural disaster, PARENT ALERT will begin contacting parents/legal guardians providing information and direction as to any action that will be taken by WJNS. Through PARENT ALERT, parents have the option to be notified by email, text, and/or by phone with an automated message from the school. *Please be sure to update your Parents Web accounts as needed, so that we will have your current contact information on file.*

Please note the following guidelines during any emergency or disaster:

EARTHQUAKE: Should an earthquake of significant magnitude occur on Oahu, we could anticipate possible damage to our facility, the loss of electrical power, telephones and water, and considerable disruption to the road networks around us. If you live close by, you may not be able to reach us. If we are indoors when an earthquake occurs, we will stay indoors and immediately take cover under desks, tables, in supported doorways, etc. If outdoors, we will stay outdoors and move toward the middle of the playground, away from electrical lines, tall buildings and trees. When the shaking stops, we will treat and care for anyone who is injured and then evaluate the condition of the school.

Option 1: If the facility is sound, we will remain in place with Civil Defense instructions.

Option 2: If the facility is damaged or could sustain damage as the result of an aftershock, we will gather our survival kits and ourselves and attempt to move to the playground or an open area in the neighborhood.

FIRE: Drills will be held periodically. We will leave the building in an orderly fashion and, under staff supervision, proceed to the designated areas. In the event of an actual fire, our evacuation procedures and destinations will be the same as for a drill and the staff will assist. Should our facility be damaged by fire to the extent that we are unable to occupy it, we will be temporarily housed in the Worship Center or playground, and you will be called to pick up your child.

FLOODING: Our school is not located in an identified flooding zone. However, during extremely heavy periods of rain, or under Tropical Storm or Hurricane conditions, flooding in our area is possible. In the event we are advised to evacuate, or should water begin to rise around the building, we plan to gather our survival kits and immediately move to the 2nd floor, or another facility designated by the Oahu Civil Defense Agency.

HURRICANE/TROPICAL STORM: Hurricane or Tropical Storm WARNINGS are issued when the storm effects could affect Oahu in 24 hours or less. The time of the closure will generally coincide with the end of a normal working day and should not inconvenience you if you are at work.

The Hurricane/Tropical Storm public evacuation shelter closest to WJNS is Ma'ema'e Elementary School on Wyllie Street. It is unlikely that movement from WJNS to Ma'ema'e will be necessary. However, our plans will consider evacuation in detail under the options noted under "Earthquakes".

TSUNAMI: Our facility is not in a tsunami evacuation zone, so we do not have to consider evacuation when a TSUNAMI WATCH or WARNING is issued. We will remain in place under either condition or there should be no significant change in our normal routine. Please do not leave work or rush to school if a WATCH or WARNING is announced. We will take care of your child(ren) until pick-up can be safely accomplished. If you are in or can get to a safe area until the "All Clear" is announced, you should remain in that area. Delaying unnecessary travel will assist in precluding traffic gridlock on our streets and allow emergency vehicles and those who must evacuate to move freely.

LOCK-DOWN: If there is imminent danger and a lock-down is required an alarm will sound and the police will be immediately notified. Students and their teachers will remain in their classrooms or seek refuge in the nearest available classroom.

Classroom doors and windows will be closed and locked. The lights will be turned off. If necessary, students, teachers, and staff will conceal themselves under their desk or along the walls. Teachers will call roll and inform the office of any missing students. Once the situation is under control and the campus is safe, the all-clear alarm will sound.

PANDEMIC: A priority of WJNS is to provide a safe and healthy environment. Should a pandemic occur, WJNS will take every safety precaution provided by CDC. If school closure is imminent, students will continue their education through distance learning.

HOLIDAYS, VACATION AND IN-SERVICE

Waulani Judd Nazarene School is closed on most state and federal holidays. In addition, we are closed for one week for fall and spring and three weeks for Christmas break. The school office will be closed during fall break, one week at Christmas break, and during spring break. To work on professional development WJNS also has in-service days at the end of each quarter. (Please refer to the annual school calendar for exact dates the school will be closed.)

**When possible, WJNS offers childcare during the week leading up to Christmas for an additional cost. (Information for interested parents is available in November.)*

CHANGES TO SERVICE OR POLICIES

Notification of any changes to services or policies will be made no later than 30 days before the date of the change. In addition, any changes will be included in both the operating policies of the school and relevant handbooks. Parents will be notified of said changes in writing.

PARENT COMMUNICATION

COMMUNICATION WITH THE OFFICE AND TEACHING STAFF: Parents are welcome to contact the school office and/or teachers via telephone or email. If you need to reach the teacher during the school day, please call the school office and a message will be given to the teacher. Calling teachers directly can disrupt classroom instruction. WJNS posts monthly menus, school calendars, classroom supply lists, updated information, and photos of school activities on our school website at wjns.org. Both FACTS Family Portal (our school-based management system) and FACTS

Financial (our tuition payment system) may also be accessed through our website. *We will also be sending a monthly newsletter to your email.*
